

December 5, 2022

Dear Parents and Carers,

Next year all student stationery packs will be purchased online via Champion Education. Ordering stationery online, is a common practice for most schools and new for Heatherhill Primary School.

You may already have used a similar system at a previous school or if you have children at secondary school.

Champion Education will be the supplier and the booklists will be online. Simply follow the instructions on the provided attachment, log in, pay, and provide your details to have your items delivered to your home.

Please note, Champion will also collect the money for the

- student planner and
- Maths Plus homework book.

The planner is being printed to meet our school needs and will be distributed by your child's class teacher. The homework book will also be distributed once your child's personalised level has been determined.

Parents and carers have the option to purchase their own stationery, however, Champion Education have significantly discounted the cost for our school. Information contains both the retail cost and Champion price for each student.

As you will see, these packs have already been discounted.

Please order **no later than Friday 30th December 2022**, for packs to be delivered to you before school resumes. Late orders may result in pack arriving after school has started.

If you have any questions, please contact Ms Harris on 9546 7562.

Best regards

Gillian Harris

YEAR THREE PARENT PAYMENT ARRANGEMENT 2023

November 14, 2022

Dear Parents and Carers,

Heatherhill Primary School is looking forward to another great year of teaching and learning and would like to advise you of Heatherhill's voluntary financial contributions for 2023.

Heatherhill Primary School provides students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Every effort is made to keep the cost of voluntary curriculum contributions to a minimum and affordable for all families.

Nevertheless, the ongoing support of our families ensures that our school can offer our students the best possible education and support.

We want to thank you for all your support, whether through fundraising, voluntary contributions or volunteering your time. This has made a huge difference to our school and the programs we can offer students.

Within our school, this support has allowed us to offer a wide range of subjects and curriculum experiences; enhanced digital learning opportunities and equipment, faster WIFI and internet, employment of a school-based digital technologies technician, purchasing of student furniture, purchasing and maintenance of air conditioning units, building and ground improvements, in addition to the Visual Arts and STEM Programs.

Please see a one-page overview for further information on the Department's Parent Payments Policy.

Please contact the office if you have any questions regarding voluntary parent payments.

Yours sincerely,

Amanda McLean
Principal

Bart Firus
School Council President

Refunds

Parent requests for refunds are subject to the school's discretion and are made case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, considering whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions	Other Contributions	Extra-Curricular Items and Activities
Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the curriculum.	Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.	Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
